## ABOUT THE FALCONRY WEEKEND

The Falconry Weekend is a specialist falconry show devoted to showcasing the very best of falconry in the UK and abroad. 2011 saw the first weekend (then called the UK Falconry Event) held at ICBP to wide acclaim and praise from all those who either visited or exhibited.

Organised by, and held at, the International Centre for Birds of Prey, the Weekend is designed to appeal to falconers, their families and anyone with an interest in this ancient sport.

By bringing together high quality equipment manufacturers, falconry clubs and raptor experts it will enable visitors to engage face to face with their suppliers, instead of trawling through the internet with the risks that entails.

There are local camp sites with full facilities; or numerous bed and breakfasts ([www.icbp.org/accommodation.html](http://www.icbp.org/accommodation.html)) A fairly basic camping area, here in the car parking field, will be provided so visitors can come for the whole weekend. A BBQ will be available in the centre's grounds on the Saturday night, for both exhibitors and campers. A separate camping area for the exclusive use of exhibitors is available.

Our experience of the first show in 2011 told us that the visitors were keen to use the opportunity to buy their supplies at the show. At least they were carrying out enough stuff throughout the day and because the car park was close they kept coming back!

Please note that the Event is held within the grounds of the ICBP – therefore, other than the dogs who live at the centre, no dogs are permitted.

**Comments after the 2011 event.....**

*"I had a terrific day on Sunday, even the Mrs enjoyed it. Loved the art stands and was a pleasure to meet Mr. Rampling and hope Birmingham wasn't too painful for you! Great to meet various other people and see a variety of birds flown so well. Finally I have to admit in my opinion Howard and the dog show stole it for me, I don't know a great deal about the subject but I found it fascinating and entertaining and a really nice chap to chat to afterwards and all at the 11th hour! Even Mima commented on it being the best dog display she's seen! Thanks Howard!*

*Roll on next year maybe!? Make sure your there to support it!"*

*"I'm glad me and Mrs went, had a good time, enjoyed displays, Hopefully this will become a yearly event"*

*"I also had a great weekend with the Mrs met some awesome people, deffo will be going next year!"*

*"What a fantastic weekend. Finally getting to Newent was like walking on 'Hallowed' ground. Some great seminars, met up with old friends and watched flying displays to die for! A real treat to see Niges Aplomado in action. On Saturday the Perlin was brilliant, and Mimas Sakrette made me remember why I always loved Sakers so much.*

*Hats off and many thanks to Mima, Charlie, Jan and all Mimas staff for a top class weekend. I am up for it again next year, fingers crossed it becomes an annual event."*

*"Good event, very well organised, some top displays, nice to catch up with some old friends, i first visited the centre in 1977!!!! been back a few times over the years, great setup, clean and tidy, brilliant."*
